RE: 155 Riverside Street - Certificate of Occupancy

To Whom It May Concern:

Please note that our office does have a certificate of occupancy on file for a motel and restaurant at the above named address. It was issued off the building permit numbered 70/65 and dated June 16, 1971. There are no conditions placed on this occupancy permit. This letter is only being supplied since our microfiche machine is presently in need of repairs to print out this document that you require. Please substitute this letter in place of the occupancy permit. Feel free to come in any time after our machine is fixed so that you may obtain your own copy for your files.

Very Truly Yours,

Marge Schmuckal
Zoning Administrator/
Assistant Chief of Inspections
