A New Building for

EVERGREEN CREDIT UNION

Portland, Maine

The drawings, the expression of services, and other works by the Architect and his consultants are instruments of service for use solely with respect to this Project. They are and shall remain the property of the Architect and his consultants. The Owner shall be permitted to retain copies, including reproducible copies, of the drawings for information and reference in connection with the Owner's use and occupancy of the Project. The drawings shall not be used by the Owner or others on other projects, for additions to this Project, or for completion of this Project by others, except by agreement in writing and with appropriate compensation to the Architect and his consultants.

Submission or distribution of this material to meet official regulatory requirements or for other purposes in connection with this Project is not to be construed as publication in derogation of the reserved rights of the Architect and his consultants.
