

Tammy Munson:

Re: permit for Izzy's Cheesecake
987 Riverside St.

The business located in This Building
is called ComNav Engineering Inc
They manufacture Communication Filters
for Phone systems - Satellites. There is
Not a lot of Traffic in and out
of the Building. Just UPS - FedEx ect.

The space along side us ~~that~~ is
about 25' x 50' is being use
By them as Storage.

The wall Between us is a
2x6 wall that Has $\frac{5}{8}$ Sheetrock
on Both sides.

The outside wall is a Cement Block
wall.

We will Be Putting $\frac{5}{8}$ Fiberglass
on the ceiling.

Thank You!
Michael LeBlanc
