RE: Permit Request - 50 Holm Ave.

Dear Sam:

I started another project without a permit, but Kevin found out and dutifully beat me with his flashlight.

What we're doing is sprucing up 50 Holm Ave. with new siding, replacing vandalized windows, fixing the chimney and doing some interior work, etc. We also tore down a piece of crap enclosed sundeck on the front of the building. Kevin explained that we are altering the footprint of the building and that's why you guys needed to know.

Sorry for my oversight.

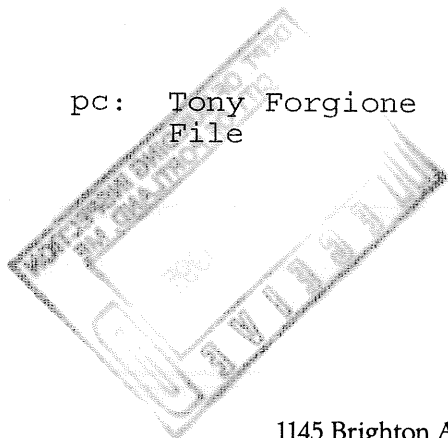

If you need anything from Tony or Bob on waivers for the permit, give me a ring.

A drawing is enclosed. Take care.

Thanks,

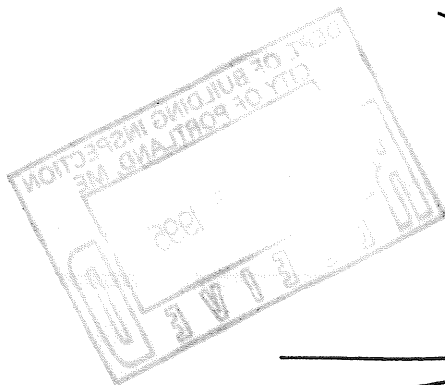

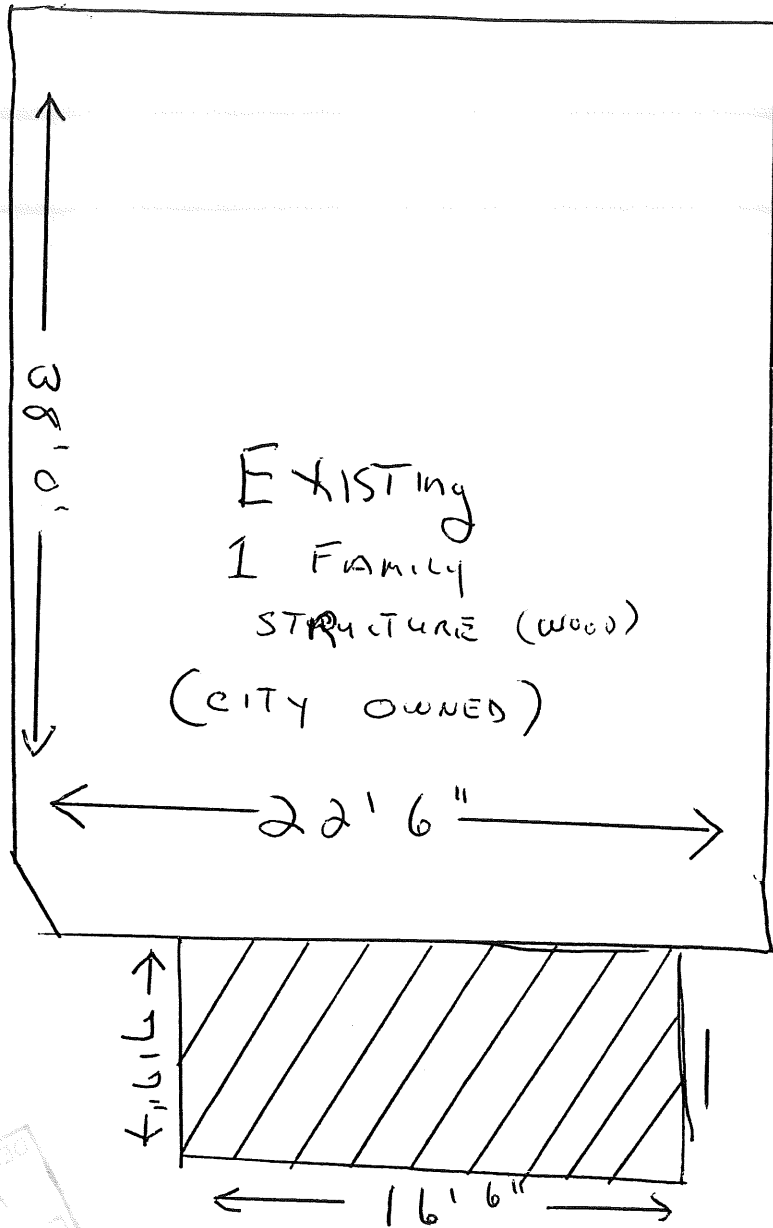

Bob O'Bradovich  
Director of Maintenance
