## Memorandum

**To:** John Destefano

From: Mike Nugent/Manager of Inspection Services

**Date:** 08/18/2003

**Re:** Joker's 512 Warren Ave.

## 

- Do we have HVAC ventilation calculations that establish compliance with the 1993 BOCA Mechanical Code?
- 2) A separate review of the "Bleachers by Owner" will have to occur prior to installation.
- 3) What is the Wind Design Pressure (Section 1609.7)?
- 4) What is the Basic Structural system and Seismic resisting system (Section 1610.3.3)
- 5) What is the Response Modification factor and Deflection amplification factor (Section 1610.3.3)
- 6) Interior finishes must comply with Chapter 8 of the BOCA Code, can you provide those certifications.
- 7) Planning has not authorized permit issuance as of Friday 8/15/03.
