To whom it may concern:

To the best of my information, knowledge and belief, including site visits that I have made personally, discrepancies have been resolved and special inspections of the foundation have been performed in accordance with the "Statement of Special Inspections" previously submitted for permit for this project. This statement includes review of project shop drawings, along with specified inspection and test reports performed by qualified agencies designated for this project.

Respectfully submitted,

A handwritten signature in black ink that reads 'D A Price' followed by a horizontal line.

David A. Price, P.E.  
Special Inspector for Foundations
