

# Fire Safety Summary

## Applicant Information:

Name: Francis P. Drake  
Address: P.O. Box 1378  
Portland, ME 04104  
Telephone Number: (207) 775-1832 (W)  
(207) 774-2285 (H)  
(207) 450-3970 (C)

## Architect Information:

Name: FMC CADD, Engineering Resource Center  
Address: 75 Bishop St  
Portland, ME 04103  
Telephone Number: (207) 878-8511 (W)  
(207) 878-8515 (F)

## Proposed Use of Structures:

The contractor is to coordinate with the building designer to define the Structure Occupancy and Construction Classification per the IBC, 2009 ed. Contractor is responsible for maintaining construction practices that conform with Section 3 of the City of Portland Technical Manual and NFPA Fire Code. The coordination efforts will also define a fire sprinkler system per NFPA for a single family development.

## Summary of Proposed Structure:

|                 | <i>Square Footage</i> | <i>Elevations</i> |
|-----------------|-----------------------|-------------------|
| Garage:         | 1410 sf               | 69.50'            |
| Cellar:         | 967.6 sf              | 70.00'            |
| Cold Storage:   | 502.7 sf              | 71.00'            |
| 3-Season Porch: | 208 sf                | 81.19'            |
| First Floor:    | 2478 sf               | 81.19'            |
| <b>Total:</b>   | <b>5566.3 sf</b>      | <b>-</b>          |

**Proposed Fire Protection:**

A summary of code requirements and proposed structure protection is provided on the cover page (sheet A0) of the architectural plans, see attached.
