On the demo permit, can you also send a notification letter to 122 Taft Ave, since their property also touches yours? The address from taxes is given as:

Jasmyn Bak  
122 Taft Ave.  
Portland, ME 04102

Just confirm that you will do this and then I'll have our front desk contact you to schedule the pre-demo inspection.

Thanks,  
Chris

Chris, thank you for all your help. I will drop off the notification to 122 Taft after supper. I'm feeling much better today than I did yesterday. I do want to cancel the building permit. Again thank you. Wendy.

Hi Chris,

What would I have to do to be able to repair the existing structure? You know how you talk to your family..Someone in my family suggested I look into repairing the garage..

Sorry to be such a pain,  
Thanks again!  
Wendy

Hi Wendy,

We would not permit the repair of the existing garage in place, since it was never permitted to be in that non-conforming location. We would again require you to relocate it to a conforming location (at which point it would obviously probably be easier just to fully replace with a new one).
