Dept: Zoning	Status: Approved with Conditions	Reviewer: Marge Schmuckal	Approval Date: 03/04/2010
Note:	Ok to Issue: <input checked="" type="checkbox"/>		
1) This permit is being approved on the basis of plans submitted and the later information from the applicant that withdrew the four smaller signs clustered around the one larger "Aaron's" sign on the front of the tenant space. Any deviations shall require a separate approval before starting that work.			

Dept: Building	Status: Approved with Conditions	Reviewer: Jeanine Bourke	Approval Date: 03/15/2010
Note:	Ok to Issue: <input checked="" type="checkbox"/>		
1) Separate permits are required for any electrical, plumbing, sprinkler, fire alarm or HVAC or exhaust systems. Separate plans may need to be submitted for approval as a part of this process.			
2) Signage Installation to comply with Chapters 31 & 32 of the IBC 2003 building code.			

Comments:
3/3/2010-mes: called Marc Hortie - too many signs are being proposed on the front of the building (5) and there are no dimensions given for 4 of the signs - the replacement signs on the end of the building and on the free-standing sign are ok - on hold til I hear from Marc
3/4/2010-mes: Voice mail and later spoke to Marc Hortie - he has withdrawn the 4 extra smaller signs clustered around the larger "Aarons" sign on the front of the building. The permit is being approved by zoning based upon this information from the applicant.
