RE: Sign Approval

Dear Jonni Peace,

I am writing to inform you, on behalf of 1041 Brighton Avenue, LLC, your new signage as outlined in the attached proofs has been approved.

All work needs to be completed in compliance with state and local regulations. Prior to any work commencing, we need to have proof of insurance for any outside contractors working on the property. Any signs that are attached to the face of the building must be secured in manner as to not damage the building.

If you need anything further from me, please do not hesitate to contract me. We look forward to working with you on future projects.

Regards,

Brian Brooks
