**Certified Mail Receipt # Z 397 901 591**

Dear Sir/Madam,

An evaluation of the property at 54 Popham St on 04/07/99 revealed that the structure fails to comply with Section 111.3 of the 1996 BOCA Code of the City of Portland.

A shed has been built without a building permit. The job has been stopped and I spoke with the Project Director on April 2, 1999 @ 1:56 p.m. as well as verbally informing the tenant to stop work. On a recheck, on 4/7/99 @ 1:33 p.m. the shed has been completed and utilized. Please have your tenant discontinue the use. Either remove the structure or apply for a building permit immediately.

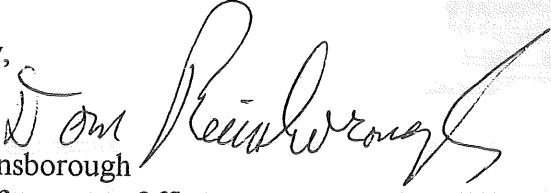

This is a **STOP WORK ORDER** pursuant to Section 117.1 of the Building Code(1996 BOCA). All construction activity must Stop immediately.

Therefore, you are required to submit amended construction and site plans to this office for review and approval. You must also submit a list of all subcontractors on the job with their addresses and telephone numbers. When you have received approval of the amended plans and submitted the requested subcontractor information you may request removal of the "STOP WORK" order.

Failure to comply will result in this office referring the matter to the City of Portland Corporation Counsel for legal action and possible civil penalties, as provided for in Section 1-15 of the Code and in Title 30-A M.R.S.A. ss 4452.

This constitutes an appealable decision pursuant to Section 121.5 of the Code. Please feel free to contact me at 874-8693, if you wish to discuss the matter or have any questions.

Sincerely,

Tom Reinsborough  
Code Enforcement Officer
