Dear Andrea and Laura,

I have reviewed the updated materials you sent for the Hall School demolition permit.

There were several direct abutters missing from your list of noticed parties. The four abutting lots that I did not see on your list were:

275 C072 & C073
Magda Adrien-Darling
12 Orono Rd.
Portland, ME 04102

275 C063 & C064
Nicholas Galanin & Anthony Scribner
74 Warwick St
Portland, ME 04102

275 C015
Chu Duc Van
80 Craigie St.
Portland, ME 04102

276 A013
Brenda & Joseph Turcotte
20 Cedarhurst Ln.
Portland, ME 04102

In addition to these, there is an abutting condominium property (Dale Court) that appears to have had only had one of the unit owners noticed. The owners of all 17 units should receive a notice. I am attaching a document that shows all the condo owners with their addresses (2 pages).

If you can confirm to me that you will send out these remaining notice letters today, I will ask our front desk to schedule your pre-demo inspection. The inspection is the last step before the permit is issued (contingent on a satisfactory pre-demo inspection).

Please let me know if you have any questions.

Sincerely,
Chris
