Dear Mr. Smith:

This is in response to your letter of March 16, 1993 and to follow up on our phone conversation this morning. It appears the use briefly described today would be classified as a "sheltered care group home". We will wait for and review any material describing your program which you have provided to the state and federal government regarding this use. After such is received, we will talk about the application process. We look forward to working with you.

Sincerely,

William D. Giroux
Zoning Administrator
