Dear Mr. McPherson,

This is to respond to the inquiries by the Spurwink School's Administration last week. I have reviewed the letters written on March 16th, 23rd and 26th by Mr. Smith and yourself along with the program description that was supplied to DHS. A Permit to authorize the use is not required because a foster home is considered a single family dwelling by this office. We appreciate your cooperation in supplying the necessary material in a timely manner. If I can be of further assistance please call.

Sincerely,

William D. Giroux
Zoning Administrator
