Product Overview

Get the rugged look of hand-scraped wood and the durability of porcelain with the Montagna Dapple Gray Porcelain Floor and Wall Tile from MARAZZI. Because porcelain is resistant to moisture, it can be installed in areas where wood cannot and requires far less maintenance. Designed for both indoor and outdoor use, this frost-proof tile is well suited for versatile applications in both commercial and residential spaces.

- 14.53 square feet, 15 pieces per case. Case weight equals 58 lbs.
- Grade 1, first-quality porcelain tile for floor, wall and countertop use
- 6 in. width x 24 in. length x 5/16 in. thick
- Glazed textured finish with a medium sheen and slight variation in tone
- Class 4 abrasion resistance - suitable for floor applications with heavy foot traffic
- Impervious tile has water absorption of less than 0.5% and is frost resistant
- DCOF greater than or equal to .42 - Slip resistance meets requirements for use on level interior or exterior floors expected to be walked upon when wet. Not recommended for shower floors due to tile size. All products manufactured by MARAZZI meet the requirements of the ANSI standard
- Frost resistant

Product Overview

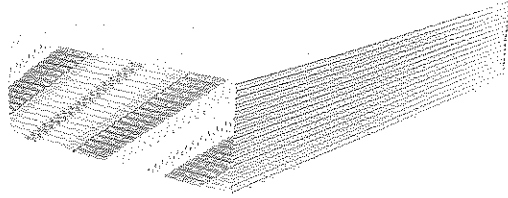

Your roof can represent up to 40% of your home's curb appeal. Now, you can improve its resale value with Timberline High Definition Shingles from GAF. Professional installers have long preferred the rugged, dependable performance that only a Timberline roof can offer. But great performance is only half the story.
