Proposed Use: Single Family	Proposed Project Description: taking down interior wall to open up kitchen/living space and moving entrance door			
Dept: Zoning Status: Approved w/Conditions Reviewer: Christina Stacey Approval Date: 09/23/2016 Note: R-3 zone Ok to Issue: <input checked="" type="checkbox"/> All interior work except rebuild/relocate exterior landing & steps to accommodate relocated door. Rebuilt landing/steps will meet all setbacks except rear will be less than 25' - OK under §14-425 projections.				
Conditions:				
1) This property shall remain a single family dwelling. Any change of use shall require a separate permit application for review and approval. 2) The rebuilt entry landing and steps shall not exceed the footprint dimensions of the previously existing structure. It shall be the owner's responsibility to document the size of the existing landing and steps. 3) This is being issued with the understanding that as a fast track, the owner is responsible for scheduling inspections for the work being done and the inspector may require modifications to the work that has been completed if it does not meet code. 4) Separate permits are required for any electrical, plumbing, sprinkler, fire alarm, HVAC systems, heating appliances, including pellet/wood stoves, commercial hood exhaust systems, fire suppression and fuel tanks. Separate plans may need to be submitted for approval as a part of this process. 5) This permit is being approved on the basis of plans submitted. Any deviations shall require a separate approval before starting that work.
