To Whom it May Concern,

The letter verifies that the work performed under Building permit # 2013-00131 issued by the City of Portland at the above address has been completed. Inspections have been recorded and the work does not comply with the applicable code requirements for habitable space of the IRC 2009 (MUBEC). This does not certify that the property is free of building code violations.

If you have any questions, feel free to contact me at this office.

Sincerely,

**George Froehlich**
