Dear ADAMS MICHAEL

NOTICE OF VIOLATION

An evaluation of the above-referenced property on 7/14/2016 revealed that this office has no record of an Electrical permit being issued to this location for the sign. This property is in Violation of the Ordinances of the City of Portland. A Licensed Electrician shall apply for an electrical permit immediately and will arrange with this office for an inspection. Failure to comply will result in this office referring the matter to the City of Portland Corporation Counsel for legal action and possible civil penalties, as provided for in Section 1-15 of the Code and in Title 30-A of M.R.S.A. Section 4452 and Section 14-57 of the Portland Zoning Ordinance. This constitutes an appealable decision pursuant to Section 112 of the City of Portland Building Code. You have (14) days in which to complete and submit an electrical permit to this office. A re-inspection will occur on 8/24/2016. You will be contacted with a time to meet with me on site to confirm the removal of the illegal activity or compliance with an approved electrical permit.

If you have any questions you may contact me to discuss this matter further.

Sincerely,

Brian LaFlamme@ (207) 874-8696

Electrical Inspector
