Dear ADAMS MICHAEL

NOTICE OF VIOLATION

An evaluation of the above-referenced property on 9/7/2016 revealed that the electric sign was installed without the proper listing requirements of NEC 2014 Article 600.3 and connected by an unlicensed electrician. Without the proper electrical permit associated with the sign and the required listing required by the National Electrical Code this sign is in Violation of the Ordinances of the City of Portland and subject to disconnection in accordance with Article 3 section 6-71(c,d). It is here by ordered that you make arrangements with the sign company to make the necessary corrections and call this office for an inspection before the sign can be energized again. Failure to comply will result in this office referring the matter to the City of Portland Corporation Counsel for legal action.

If you have any questions you may contact me to discuss this matter further.

Sincerely,
