RE: Expiration of Business License
Removal from City of Portland Tow List

Dear Business Owner:

This letter shall serve as notice that your business license has expired and that your company has been removed from the City of Portland's tow list due to non-compliance of your tow lot located at 87 Bishop Street in Portland, Maine.

The use of this tow lot was approved under certain conditions and those conditions have not been met. Due to non-compliance I have not renewed your business license and have removed you from the tow list used by the Portland Police Department. Your City of Portland Towing Business License expired on June 30, 2005. This license will not be renewed and your business will not be added to the tow list until the lot is approved for such use.

In order to correct this problem you need to contact Sarah Hopkins or Alex Jaegerman in the Planning Department at 874-8721.

Yours truly,

Amanda L. Berube
Business License Administrator
