Dear Sandra,

I have received the updated foundation drawing documents from our engineer and have attached them for the City's review and processing. A description of the changes is provided below. Please add the new drawings to our application for the building permit (Application 201602886) and please let us know when we can expect completion of the process.

Revised Drawings:

Drawing 520-37 General Arrangement (updated to revision 4)

- Please note that the foundation detail drawings referenced in the foundation schedule were updated for foundation "A" and foundation "B".
- Foundation "A" now references drawing 520-03-17 (pier detail) and will replace drawing 520-80 figure 1.
- Foundation "B" now references drawing 520-03-18 (pier detail) and will replace drawing 520-80 figure 2.
- Drawing notes 5 & 6 were added

New Drawings:

Drawing 520-17 (revision 1) – Pier detail

Drawing 520-18 (revision 1) – Pier detail

Thank you,

Regards,

Chad Kennie
