

The building has been designed to meet the following codes: MUBEC, IBC 2009, NFPA 101, NFPA 1, NFPA 10, and NFPA 13. A code analysis can be found on the bottom sheet A-2 Life Safety Plan.

This project has received planning department approval with all the conditions of approval having been met, with the exception of the Performance Guarantee.

If you have any questions regarding this project, please feel free to contact me at my office, 892-9800.

Sincerely,

A handwritten signature in black ink, appearing to read "J. Biskup".

James I. Biskup
President
