Question on sign permit application

Hi Mindy,

We just got your commercial hood permit approved and it should be sent by e-mail shortly.

I am taking a look at your sign permit application and had one quick question. The ordinance requires that the sign will be set back at least 5 feet from your front property line, which I think starts at the sidewalk's edge. Can you confirm that you can place the sign to meet this setback?

Thanks,
Chris

Hi Chris-
Yes, the sign will be set back 5ft from the sidewalk.
Thanks so much!
