Proposed Use: Single Family	Proposed Project Description: Interior renovations and demo; construct new partitions. Replace windows, update electric and plumbing, and make exterior repairs to steps and deck.			
Dept: Zoning Status: Approved w/Conditions Reviewer: Christina Stacey Approval Date: 10/01/2015 Note: B-4 zone Ok to Issue: <input checked="" type="checkbox"/> Legally non-conforming use was extended per letter from J. Levine dated 8/20/15 No changes to footprint proposed Conditions: 1) This permit is not approving any lot coverage or setback requirements for the existing structure. It is approving work to the existing structures in their current footprints only. 2) This property shall remain a single family dwelling. Any change of use shall require a separate permit application for review and approval. 3) Separate permits are required for any electrical, plumbing, sprinkler, fire alarm, HVAC systems, heating appliances, including pellet/wood stoves, commercial hood exhaust systems, fire suppression and fuel tanks. Separate plans may need to be submitted for approval as a part of this process. 4) The current use of the property as a single-family residence is legally nonconforming. Once the use is changed to a permitted use, the legal nonconforming use is lost, and it cannot be changed back in the future. 5) This permit is being approved on the basis of plans submitted. Any deviations shall require a separate approval before starting that work.
