Re: After-The-Fact Permit # 2014-00710

This letter verifies that work performed under the "after-the-fact" Building Permit # 2014-00710 issued by the City of Portland at the above address has been completed.

A final inspection was recorded and the work appears to be in accordance with the applicable code requirements. Note: Due to the work being complete prior to any inspection(s) from the city, the roof rafters, size spans, connections points, frost protection, and build-up beams were not visible at the time of the final inspection. This does not certify that the property is free of building code violations.

Please feel free to contact me at 207.874.8703 if you have any questions.

Sincerely,

A handwritten signature in black ink, appearing to read "Jonathan Rioux".

Jonathan Rioux,
Deputy Director of Inspections
