↳
Mana Kerley left voice mail for Barbara on/about 5/9/14 and Barbara asked me to call back

↳ # 56
Mana Kerley lives on Iffley St & she + neighbors concerned at proposals for area of Warren Green especially given history of zone changes there.

- 1) She would like to be noticed for hearing
IF checked - she is already on the noticing list.
- 2) would like some info on the proposals.
5/8 - JF sent key plans and docs
& spoke to her about proposals
