Hi Patrick

I have reviewed your permit application for signs at the Warren Avenue Trade Center. the signage plan appears to be ok. However, I do not have a use application for Aroma Joe's which I will need first to establish the use before I can allow the accessory signs. So I need to put your permit on hold until I can contact the folks at Aroma Joe's. Do you have a contact number/name for them so I can get them in here? Then I can sign off on the signs. Also, do you have a unit # that they are occupying?

You can e-mail or call me at 874-8695.
