The plumber has not pulled a permit as of now. He will do so as soon as I receive the building permit. I have contracted D&P plumbing to do the work. I will notify him immediately to pull a permit for the project.

Carlton,

I am handling the plan review for the change of use building permit for 352 Warren Avenue.

Can you answer the following questions:

1. Have the sink fixtures and plumbing pipes installed in the salon?
2. Did the plumber file for a permit? Was the work inspected?

I look forward to hearing from you.

Thanks,

Laurie
