Conditions:				
<ol style="list-style-type: none"> 1) The review of this permit did NOT include a review or confirmation of the zoning legal use. It is only approving the specific work described in the plans and forms submitted. The current use of the property may be found to be unlawful. 2) The property must be clearly identified prior to pouring concrete and compliance with the required setbacks must be established. Due to the proximity of the setbacks of the proposed structure, it may be required to be located by a surveyor. 3) This permit is being approved on the basis of plans submitted. Any deviations shall require a separate approval before starting that work.
