Ann-

Attached is the initialed Fast Track form. And, here's the list of work being done at 40 Aldworth from the permit application:

- Vinyl siding on house & outbuildings
- Reshingling roof on house & outbuildings.
- Adding non-load bearing walls.
- Replacing one existing defective load bearing wall.
- Replacing broken/erratic stair treads.
- Repairing/replacing damaged insulation.
- Removing & replacing damaged drywall.

I think that's everything; if I missed something, please let me know! Sorry about my miserable handwriting; I thought I was going to be able to type into that permit application, but couldn't.

Best,
David
