Hi Jim:

Thank you and I agree it was a productive meeting.

Today, we looked at past decisions, your current proposal, and Jennifer Thompson reviewed recent case law. We agree that your proposal as presented at the pre-application meeting does not trigger subdivision review.

I am about to leave on vacation, so I will need to review the budget items when I return.

Again thank you,

Barbara

It was nice to meet yesterday and I felt the meeting was very productive as it moved forward the existing building permit application. I look forward to hearing the staffs opinion regarding the lot split issue. Thanks again.

Jim
