Double click on a row to view/print AHRI certificate.  
 AHRI certificates are not available for Obsolete AC and HP equipment.  
 Disclaimer: Indoor Coil Air Quantity is used for standard rating/test purposes only. Actual values may vary depending on the installation. Please refer to the manufacturer's installation instructions for proper setting of indoor coil air quantity.  
 The energy efficiency ratings on the EnergyGuide labels provided below were determined per Federal Trade Commission requirements and Department of Energy standard tests of condenser models combined with the most common components. Print the AHRI certificate in order to view the ratings of a specific combination.  
 Model Status of 'Active' means models are currently in production. 'Discontinued' means that the manufacturer has elected to stop producing, yet stock is still available. 'Obsolete' means that the manufacturer is required to stop manufacturing.

AHRI Certified Ref #	Model Status	Manufacturer Type	Trade/Brand Name	Series Name	Outdoor Unit		Indoor Unit				Cooling			High Heating 47 F		Low Heating 17 F		AHRI Type	HSVT

## Overview

### Overview for LG LMU30CHV LSN090HSV4 LSN180HSV4

The LG LMU30CHV LSN090HSV4 LSN180HSV4 Ductless Dual Zone Heat Pump System is a convenient solution that is cost-effective, quiet, and attractive. The LG LSN090HSV4 and LSN180HSV4 wall-mounted heat pump air handlers are slim, lightweight, and aesthetically pleasing units. Also each LG indoor heat pump unit comes with its own remote control, allowing you to set the temperature individually in different rooms. The LG LSN090HSV4 and LSN180HSV4 heat pump air handler units are connected to the LG LMU30CHV heat pump exterior unit. The LG interior units are available in a variety of styles, including Art Cool, Standard, Ceiling Cassette, and Ceiling Concealed Duct models.
