The image contains four architectural drawings for a detached accessory garage:

- FRAMING PLAN (Scale 1/8" = 1'-0"):** Shows the top-down view of the garage's structural frame, including joists, rafters, and wall studs. It includes labels for various components like 'WOOD JOIST', 'WOOD RAFTER', and 'WOOD STUD'.
- FRONT ELEVATION (Scale 1/8" = 1'-0"):** Shows the exterior side view of the garage, highlighting the gabled roof structure, siding, and a door.
- SECTION (Scale 1/8" = 1'-0"):** A vertical cross-section showing the internal structural members, including the roof truss system, joists, and wall studs.
- FRONT DETAIL (Scale 1/4" = 1'-0"):** A close-up view of the roof-to-wall connection, showing the rafter, joist, and sheathing details.

At the bottom of the drawing area, there is a title block and a revision table.
