Subject: Property at 525 Riverside Street, Portland, Maine

Dear Ben,

Superior Roofing has been operating under an exemption in the Chapter 402 Rules that states a license is not required under the following circumstances

<http://www.maine.gov/sos/cec/rules/06/096/096c402.doc>

“(9) Temporary storage for a maximum of 45 days of non-putrescible solid wastes solely from commercial or industrial businesses, or state or federal agencies, when located on property controlled by the business or agency.”

You no longer meet the requirements of the exemption in Rule.

Please remove all material you have brought to the 525 Riverside Street to a facility licensed to accept this material within the next 30 days for recycling or disposal. Please retain documentation of the proper recycling or disposal of this material.

If you wish to license this location as a Transfer Station or have other questions in this matter, please call me.

Sincerely,

Randy McMullin
