Re: Professional Office Building
Riverside Street
Portland, Maine

Craig,

Captain John Brennon, Portland Fire Department has reviewed this project and verified the following NFPA 1 requirements:

- Sprinkler System per NFPA 13 - Not required
- Fire Alarm System per NFPA 101: Chapter 38.3.4.1 - Not Required
- Smoke / Heat Detectors per NFPA 101: Chapter 38.3.4.1 - Not Required
- Exit Signs per NFPA 101: Chapter 7.10.1.2.1 – Required
- Fire Extinguishers per NFPA 101: Chapter 38.3.5 – Required to be installed and inspected
- Emergency Lighting per NFPA 101: Chapter 38.2.9.1 – Not Required

Tim Chamot, Public Safety Inspector 2 Plans Review from the Maine State Fire Marshals Office has agreed with Captain Brennon. A full set of drawings will be sent to the Fire Marshals Office for a Construction and Barrier Free Permit.

Regards,

Joe DiDonato
