RE: Arrangements with Local Authorities 40 CFR 262.256

To whom it may concern:

In compliance with the requirements of 40 CFR 262.256, I am writing to inform you that our company, HD Supply Construction Supply, Ltd. (White Cap) located at 14 Rainmaker, Dr, Portland, ME is a hazardous waste generator.

White Cap has hazardous materials on site that may meet one or more of the hazardous waste characteristic criteria of ignitability, corrosivity, reactivity, and toxicity. Emergency incidents that may be associated with one or more of these materials are fire or releases such as a spill or an explosion.

Typical medical emergencies when handling hazardous waste on the premises may include:

- o Chemical burns or severe irritation to eyes and skin
- o Acute toxicity from inhalation, ingestion or absorption
- o Personal injuries from fire or explosions
- o Strain, sprain and crushing of various body parts from handling containers

This information is meant to support your ability to provide emergency response and medical treatment for our personnel in case of an emergency. Should you desire to visit the facility, I can facilitate introductions to the local management team.

Enclosed is a self-addressed, stamped postcard for you to complete and return to document your confirmation or declination to enter into an arrangement with White Cap. If we do not get a response from you, we will assume that you are declining to enter into any such an arrangement.

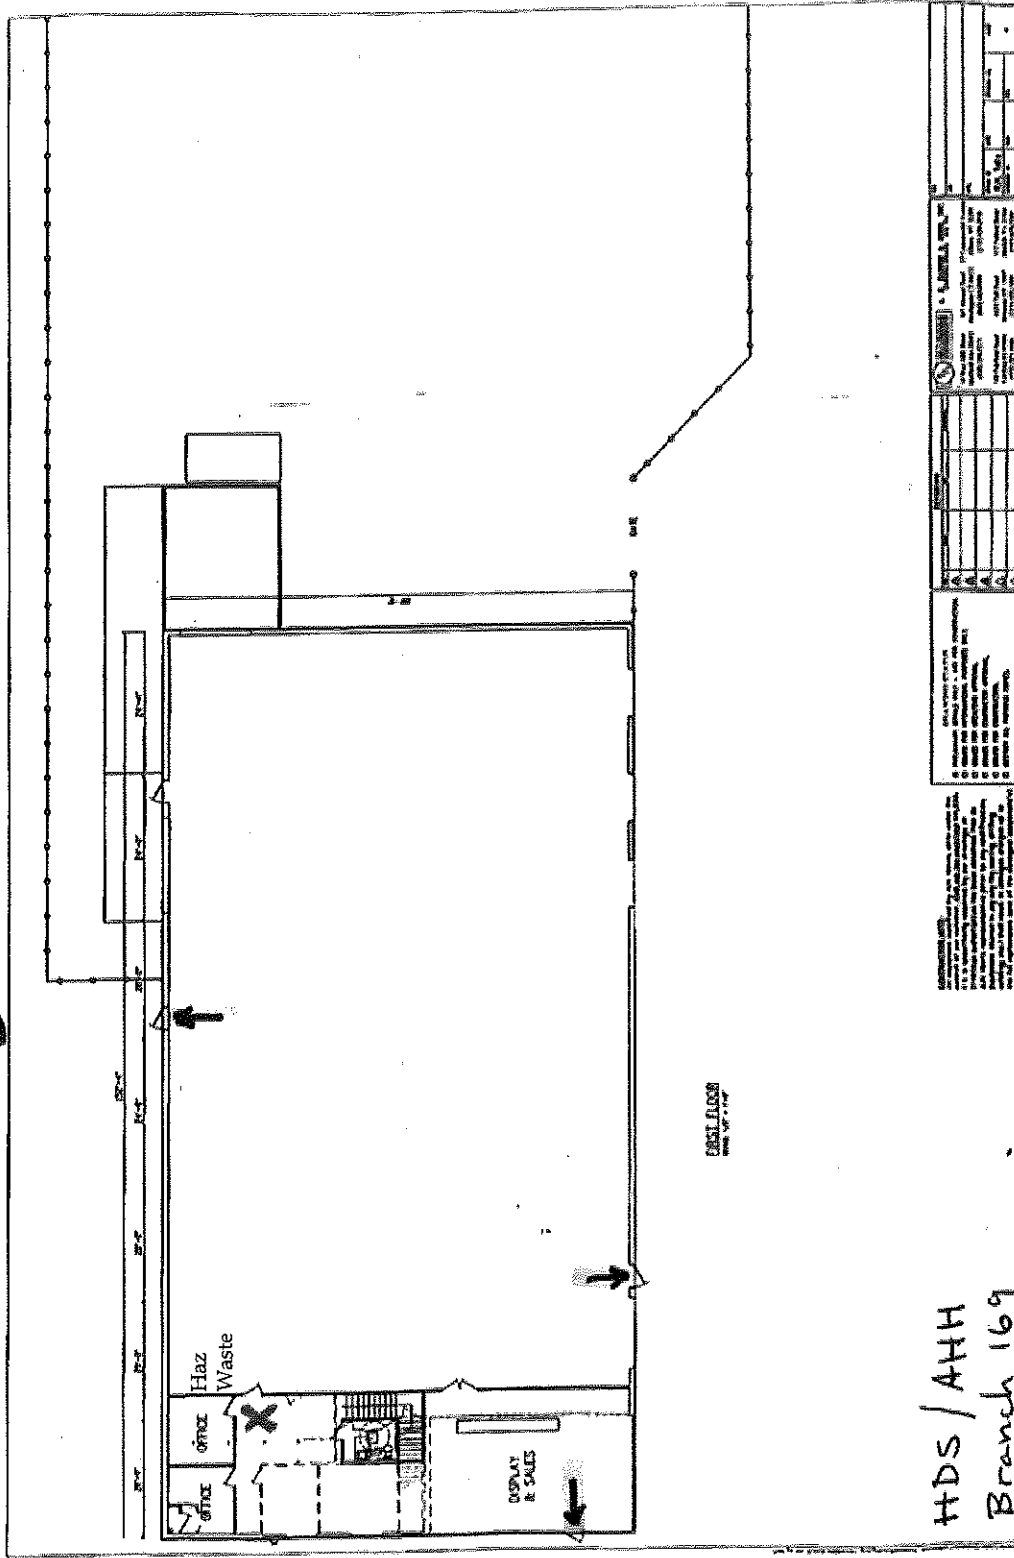

If you have any questions or need additional information please contact me by phone at 770-280-1616 or email kyle.petrie@hdsupply.com

Sincerely,

A handwritten signature in black ink, appearing to read 'Kyle Petrie'.

Kyle Petrie
