Subject: 547 Riverside Street – General Building Permit Application

To Whom It May Concern:

On behalf of 547 Riverside, LLC, Acorn Engineering, Inc. (Acorn) is requesting a general building permit. A separate demolition/site permit has been applied for with the Planning Division. This was applied for under City Code Chapter 14-532(a).1.

Although largely a site development project, a general building permit application has been developed for the storage container foundations and the installation of the small office building. Please do not hesitate to contact me with any questions or comments.

Sincerely,

William H. Savage, P.E.  
Principal - Project Manager  
Acorn Engineering, Inc.
