Subject: Re: Fwd: Re: Fwd: 508Riverside

I Trish Boutot of Boot's Bounty understand that the permit is for the change of use and work being done on the building, at 508 Riverside. I further understand, the proposed site work including the addition of 400 sf of pavement and a drive through lane is not part of the scope of this permit and a separate permit and site plan will be applied for in the future to do that exterior work.

Thank You
Trish Boutot
Boot's Bounty
508 Riverside St
