RE: Interior grease trap in Portland, Maine for 2015

The cost for pumping and disposal of the interior grease trap (includes up to 250 gallons disposal) will be \$225.00 for the first trip. Future service trips are at a cost of: 1x month - \$125, 2-5 mos \$150.00, 6-11 mos \$175.00, 1 yr or more \$225.00.

At your request, we can put you on 6 months reminder schedule. We will call/email to arrange each service call. We will not service without verbally speaking with someone or having something in writing for each trip.

If our disposal rate increases we will have to increase the cost per gallon. We will give a thirty day written notice before any rate increases.

We are available 24 hours a day, 7 days a week. If you require emergency service, there will be an additional service charge.

Blow Bros agrees that it will maintain liability insurance and workers' compensation insurance regarding any work performed by Blow Bros involving owner's property.

If you have any questions, please call our office. Please sign below and fax a copy to us. We look forward to hearing from you.
