Re: Renovation to Existing Building
1844 Forest Avenue
Portland, Maine

Project Number: 11-071B

To Whom It May Concern:

Casco Bay Engineering has analyzed the loading for the stage framing and under stage storage framing and determined that the joist hangers specified on the contract documents can be attached using #8 wood screws in lieu of 10d nails.

Please contact us if you have any additional questions or concerns.

Sincerely,

Tony Dumais
Casco Bay Engineering
