**Good morning Ann,
I've attached a site plan with the location of the Heath Center.
The scale is 1"=100', if you need one at a larger scale, please let me know.**

The Health Center is for Riverton Park residents only, staffed initially for 2 hours per week by a nurse or nurse practitioner and possibly, at some times, a nursing student.

Stephen -

I was doing my zoning review for this permit, and I need some more information.

I need a site plan indicating where the proposed health center is located on the property.

Thanks.
