Laurie,

Thanks for your call and email. Here is the information that you have asked for:

1. Maine Baking Company LLC/Pizza By Fire is a catering company that does catering for private events. This space will include a small health department approved kitchen where we will prepare the ingredients that we will bake and serve off site at events. We will also use the space for storage included refrigerated and frozen foods, dry storage for things like flour, pizza boxes, coolers, and other supplies.

2. I have attached a copy of the drawing that you had sent to me with the additional details for the adjacent tenants.

Please feel free to contact me if you have any questions.

Andrew,

As I mentioned on our telephone conversation, can you please provide me with the following information.

1. Clarify the work that you are doing to the space and the specific use of the space. Kitchen prep and storage, etc.
2. Per the attached drawing, clarify all tenants and uses of the spaces adjacent to your tenancy.

I will get any further comments to you this week.

Thanks,

Laurie
