Hello Building Inspections!

Peter Bissell contacted me this morning about the email below that he received from your department. I'm following up with you to let you know that, at this time, we do not license breweries. Therefore, there is no license he would receive from the City Clerk's office.

Please let me know if you have any questions.

Best,
Janice

Janice,
Here's the email in question. Thanks so much for your help

Peter, you also need to complete the top portion of the permit application stating you have the city's permission to serve alcohol outside. (It's the place where you either need the Clerk's signature showing permission granted, or the date of the council meeting where they will take your business up.) Also, the checklist that was attached to this application is a requirement. You have to sign it.

Please provide that and we can enter the permit.

Please see attached.

To Whom It May Concern-

This is our application for a outdoor dining permit, so that we may section off an area outside of our brewery's tasting room to allow patrons to enjoy our beer samples in the sunshine this warm season. I am starting the legwork now.

Attached are 3 views of the plot plan, from the overall layout of the property to the detailed view showing the tables and chairs, all with dimensions.

Attached is the insurance form that is required, naming City of Portland as insured under our 2,000,000 dollar plan.

Attached are the pages of the application. Our total due for the application is \$944.00, which I will pay personally at City Hall tomorrow, Friday, 2-27-15.

Thank you!

Peter Jensen Bissell
