**Attachments:** C1.1 Site Plan \_ AMEND #1.pdf

---

Good Morning Joe:

I have reviewed the attached site plan that shows the building addition square footage has been increased from 70' x 50' (3500 sq. ft.) to 75' X 50' (3,750 sq. ft.). The Planning Authority approves this change. Any waivers and conditions included in the original approval remain valid for the amended site plan.

Thank you.

Shukria
