Dear Mr. & Mrs. Brink:

It was recently noted that your swimming pool was not installed in accordance with Section 421.0 of the 1996 BOCA Code as stipulated in your permit issued July 14, 1998.

The deck around the pool does not adequately protect the pool as is required. Further there appears to be no permit for this deck in our files. You must apply immediately for a permit for the deck.

Please note that failure to apply for this permit and failure to contact this office within 10 days will result in legal action being taken.

Sincerely,

Arthur Rowe
Code Enforcement Officer
