Based o	n our records [choose one]:
	A valid final certificate of occupancy has been issued and is in effect for the Project. To the best of our knowledge, all required Certificates of Occupancy have been issued. The absence of a certificate of occupancy for the Project is not a violation and will not give rise to any enforcement action affecting the Project. (See Attached Copy Issued)
	Certificates of Occupancy are not required. Final Building Permits have been issued and are now outstanding for the Project. (See Attached Copy Issued)
	Certificates of Occupancy for projects constructed prior to the year are no longer on file with this office. The Project was constructed in The absence of a certificate of occupancy for the Project is not a violation and will not give rise to any enforcement action affecting the Project. To the best of our knowledge, all required Certificates of Occupancy have been issued. A certificate of occupancy for the Project will only be required to the extent of any construction activity (such as restoring, renovating or expanding the Project or any part thereof).
	We are unable to locate a certificate of occupancy for the Project from our records. We have evidence in our records, however, one was issued and has been subsequently lost or misplaced. The absence of a certificate of occupancy for the Project is not a violation and will not give rise to any enforcement action affecting the Project. To the best of our knowledge, all required Certificates of Occupancy have been issued. A certificate of occupancy for the Project will only be required to the extent of any construction activity, restoring, renovating or expanding the Project or any part thereof.
	This site is still being constructed. The absence of a certificate of occupancy for the Project will not give rise to any enforcement action affecting the Project. A certificate of occupancy for the Project will be issued when all final inspections have been passed.
	There are no records of a certifiate of occupancy in any of our files; however, we consider the structures to be legally occupied.
