- 1) The owners verify that the sona tubes are set at 4' frost protection
- 2) A 36" guardrail is required if the height from grade exceeds 15-1/2"
- 3) The existing hot tub was relocated to the new deck so no new electrical wiring is associated w/this permit
- 4) The deck was built in spring 2003 so this is permit approved after the fact

## CERTIFICATION

I hereby certify that I am the owner of record of the named property, or that the proposed work is authorized by the owner of record and that I have been authorized by the owner to make this application as his authorized agent and I agree to conform to all applicable laws of this jurisdiction. In addition, if a permit for work described in the application is issued, I certify that the code official's authorized representative shall have the authority to enter all areas covered by such permit at any reasonable hour to enforce the provision of the code(s) applicable to such permit.
