---

Hi Stacey i pulled up the plot plan and went to the site the plot is 100 ftx30ft the house is aprox 10 ft from each side and 30ft from front street side the back isaprox 40 ft from line.I hope this helps us get the permit .Her interior 2nd floor is open no insulation and she is loosing heat the quicker we can start the better.

thanks so much

best regards

John Richards
