10 White Birch Lane
Water Damage

To Whom It May Concern,

On February 24th Casco Bay Electric (CBE) was called to 10 White Birch Lane, Portland, ME to repair/make safe wiring and electric devices/fixtures that had been subject to water damage. We performed the following work replacing all wiring and devices that we could see had gotten wet.

Replaced wire going to center light in dining room
Replaced wire going to hall light
Replaced wire going to receptacle dining area
Installed Afci breaker for circuits with replaced wire
