Re: CBL 343 D016001 Inspection Violation 10 White Birch lane #12,
Portland, ME

Dear Ms. Hunt,

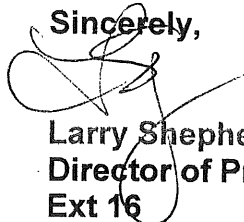

I am in receipt of your letter stating that the violation found at the above address on 2/26/2007 was not corrected on the re-inspection of 3/27/2007.

This violation was corrected long prior to said date. Please find the following:

1. Perhaps you have the wrong address, (it's 10 White Birch Lane #12)
2. Your previous letter stated the re-inspection date was 3/15/2007, not 3/27/2007 as stated, (perhaps this is a clerical error).
3. I was just there on 3/27/07 and the trench was filled as before.

in conclusion we are disputing this allegation.

Sincerely,

Larry Shepherd
